

Four Player Scramble at Western Turnpike

We had terrific weather and a great turnout for our first event of 2022 at Western Turnpike yesterday. Our field of 88 women enjoyed warm temps, blue skies and some healthy competition competing in the 4-player step away scramble. For the third consecutive year, the team of Mary Scatena (Pinehaven), Sue Kahler, Roxanne Andrews, and Heidi Harkins (Ballston Spa) secured the Overall Gross prize carding an impressive round of 66!

The Overall Low Net honors (60.8) (thanks to a mid-round Eagle!) was awarded to the team of Celene McManus (Colonie), Mary Ann Keeler (Western) and Kathy McLaughlin and Kim Lloyd (Shaker Ridge).

The full roster of gross/net flight winners is posted on the events page of the NEWGA website. Thanks to all who participated in a fun day and to Western Turnpike reps Mary Corrigan and Alice Dorsett and the Pro Shop Staff for providing a professional and well-organized event. Special shout-out to Tournament Chair Jane King, Sandy Morley, Kathy McLaughlin, and Kim Lloyd for working extra hard behind the scenes to make sure our first event went off without a hitch!
