

When a beautiful hot summer day, surrounded by 54 of your closest friends, begins with an awesome breakfast sandwich, ends with a plethora of decadent homemade cookies and has an 18-hole partner Scramble on a fun and challenging golf course sandwiched in between.... you gotta know... it doesn't get much better than that! :-)

That's exactly what happened at NEWGA's 2-person Scramble at Burden Lake CC yesterday!! Thanks so much to **Club Reps Sandy Morley and Peg Squazzo and the Clubhouse staff** for great breakfast sandwiches and a delicious buffet luncheon; to **Head Pro Justin Hearly and his staff for the warm welcome** and assistance throughout the day. NEWGA /BLCC member **Chris Brown went above and beyond demonstrating her baking skills with what I believe I heard was 16 dozen delicious cookies?!** Outstanding and so very generous. Kudos and thank you!

The Leaderboard was littered with impressive scoring from all 3 flights!! The dynamic sister duo of **Kathy and Heidi Harkins led the way with Overall Gross honors**, shooting a scorching 3 under 69!! The **Overall Low Net title belongs to Cindi Keeler (Burden Lake) and Bonnie St Denis (Pinehaven)** going low with a 53!! Wow, great playing!

It was a fabulous day with lots of winners (16 teams cashed!) and a great spirit of camaraderie! Thanks to everyone who came out to play! Check out the full Tournament Results at newgagolf.com
