

Happy Saturday Ladies! I hope everyone is enjoying their long holiday weekend! The weather looks spectacular as we kick-off the first official week of summer! Let's hope this continues all season long!

Speaking of kick-offs, Copake CC hosted NEWGA's first tournament of the season last Wednesday with lots of sunshine in the mountains for our 4-person Scramble. The golf course and clubhouse were in tip top shape and we thank Club Reps Diane Busa and Carol Preusser for hosting a wonderful day of golf and excellent luncheon. **The perennial powerhouse team of Susan Kahler, Heidi Harkins, Roxanne Andrews (Ballston Spa CC) and Mary Scatena (Pinehaven CC) successfully defended for the 4th consecutive year, the overall gross tournament title shooting a team score of 65; five strokes ahead of any other team in the field! Congratulations ladies, those greens were tough to hold!** Full flight results are listed at [newgagolf.com](http://newgagolf.com) in the Member Section under Tournaments, Tournament Results.
